Founder: Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

Practical 8

AIM:- Access and validate form fields using events; design a gym admission form with live input

Theory:-

document.getElementById() is a built-in method used to select a single HTML element from a webpage by its unique id attribute

The change Event (Detecting User Input)

The HTMLElement: change event fires when a user modifies the value of <input>, <select>, or <textarea> elements. For text inputs, it triggers the moment the element loses focus after being edited

Email Matching Pattern:-

const emailRegex = /^[^\s@]+@[^\s@]+\.\com\$/

Phone Number Matching Pattern:

var phonePattern = /^[0-9]{10}\$/;

- **document.getElementById(id):** Finds a single element by its unique ID.

Age Checking condition using if else:

```
var age = Number(ageField.value);  
if (ageField.value === "" || age < 16 || age > 60) {  
  
    document.getElementById("ageError").innerHTML = "Age must be between 16 and 60";  
}
```

Live Validation using events: phoneField.addEventListener("input", validatePhone);

Output:-

The screenshot shows a web browser window with the address bar displaying 'C:/Users/hp/Documents/Javascript_1191/Practical%208_1191/prac8.html'. The page title is 'Gym Admission Form' and the author is 'Sanvi Wadhankar 24070521191'. The form contains the following fields: Full Name (Ajay Phulke), Email (ajayphule21@gmail.com), Phone Number (8985465214), Age (15), and Membership Plan (dropdown menu showing '-- Select a Plan --'). A red error message 'Age must be between 16 and 60' is displayed below the age field. A blue 'Submit' button is at the bottom.

This screenshot shows the same form after a modal alert has been displayed. The alert box is dark grey with the text 'This page says' and 'Please correct the highlighted errors before submitting.', and an 'OK' button. The form fields are: Full Name (Ajay Phulke), Email (ajayphule21@gmail.com), Phone Number (898546521), Age (21), and Membership Plan (Standard). A red error message 'Enter valid 10 digit number' is shown below the phone number field. The 'Submit' button remains at the bottom.

The final screenshot shows the form after successful submission. The fields are: Full Name (Ajay Phulke), Email (ajayphule21@gmail.com), Phone Number (8985465215), Age (21), and Membership Plan (Standard). A green message at the bottom reads 'Form submitted successfully! Welcome, Ajay Phulke.' The 'Submit' button is still present.

Conclusion:-

Hence we have performed a gym membership form code using live validation and events .
